Pris: kr. 110,00

Short Description

RF Fly Lead Coaxial Aerial Cable Digital TV Male to Male Extension GOLD - WHITE

Beskrivelse

RF Coax Digital TV Cable Gold

This TV cable is constructed of coax cable with male to male connectors.

It is supplied with a gender changer / Coupler to suit any situation where a male to female cable is required.

The coupler could also be used to join the cable to an existing cable to form an extension.

All contacts are gold flashed for a higher quality connection.

High Quality Moulded Adapter.

75 ohms Coax Cable

Gold Plated Connectors

Length: 3ft,4.5ft,9.5ft,16ft,32ft(1m,1.5m,3m,5m ,10m)
